CALL TO ORDER:

Chairman Fenton opened the public hearing for KJM Kustoms, LLC at 7:05 pm. There were no members of the community present except Kyle Morgan (owner) and Dan Wolfe Code Enforcement. Kyle Morgan explained to the board what his plans were for his auto repair shop. He currently is operating a tint business and will do so there. He will do repairs to assist in covering his overhead. He has no plans to do inspections as he knows NYS will not approve as he offers tinting for vehicles. Eventually he would like to move away from the auto repair portion but at present this is not feasible. Kyle did indicate that he is planning on painting the building in the spring and did make a change to the signage he proposed. The background will be black with white lettering and gold outline. The board did not see any issues with this change. Chairman Fenton asked if there were any other questions. Since there were none, he called for a motion to close the public hearing. A motion was made by Tim Elliott with a second by Kathy Blackburn. There were 4 ayes (TF, TK, KB, TE) 0 nays. The motion was carried and the public hearing was closed at 7:115 pm.

Respectfully Submitted by
