CALL TO ORDER:

Chairman Fenton continued the public hearing for Borrego Solar-2668 Swett Road at 7:02 pm. There were 3 members of the community present. The owners of the project, Tina and Tony Moule, and Resident Kim Kinne. Chairman Fenton waited a few minutes to see if anyone else was attending. Chairman Fenton asked if there were any comments or questions.

Kim Kinne questioned the if the project was progressing and did we have reports that were needed. Chairman Fenton responded that we had reports that they would go over after the public hearing was closed and that the public hearing was left open from last month incase anyone had any questions or concerns.

Chairman Fenton asked if there were any other questions or concerns. There were none so he called for a motion to close the public hearing. The motion was made by Kathy Blackburn with a second by Tim Elliott. All were in favor with one abstention (Richard Fisher) and the public hearing was closed at 7:07pm.
